

Niket.

first of all I want to thank you for helping me with this project. I am indebted to you. When it gets to be too big a bother please let me know I am enclosing this information so you can get an idea of who I am and what kind of information I have. I will follow your guidance.

as I said I am not after a big scene I am very practical about my career and what I have accomplished in my working life. I want to leave a record on the record and this is the best way to do it. your feedback is greatly appreciated
